

**ASSEMBLYMEMBER JACQUI IRWIN**, in partnership with the  
City of Thousand Oaks, invites you to attend

This family friendly event will take place in the park at the Thousand Oaks Civic Arts Plaza. It will feature booths, workshops, emergency vehicles - including fire trucks, police units, public safety personnel, kid finger printing, learning opportunities and so much more.

California is in the worst year of the drought on record. Join subject experts to learn new ways to conserve, get details on local water restrictions, explore drought tolerant landscaping and native plants, and review the latest information to conserve resources and develop a plan.

Southern California is no stranger to fire danger. 911 in the 805 will feature workshops on fire hardening for your home, basic CPR and Stop the Bleed Programs, as well as fire insurance and what to do before and after an emergency incident.

911 booths will also spotlight preparations for other types of emergencies, including health and public safety issues.

**July 9 | 10 A.M. - 1 P.M.**

**Thousand Oaks Civic Arts Plaza**

*2100 Thousand Oaks Blvd, Thousand Oaks*

For more information and workshop schedules, or to inquire about having a booth at the event, visit [a44.asmdc.org](http://a44.asmdc.org) or call 805-482-1904.
